

Grocery Receipt Value: \$200.00* two hundred dollars and no/100

Thank you for your purchase from MPB Today. You may select your name-brand groceries or natural products through the website link provided by the company at any time, in accordance with the outlined provisions.

Details* **USA ONLY**

Customer Ordering

Shopping for Groceries / Products:

You may select your purchased dry-good groceries and/or natural products at your convenience by following the simple steps listed under the ORDER GROCERIES link on the MPB Today website. You pay the grocery price listed along with shipping & handling.

Due to the weight of some dry-good grocery items, the shipping & handling averages from 20% - 50% or higher of the purchase total. All shipping rates are calculated separately for each order. Hawaiian shipments have increased shipping & handling rate. *(The \$12.50 Local Delivery cost shown is for Southeastern customers ONLY and does not apply to MPB orders.)*

Other Items:

All purchases are OPTIONAL, non-refundable, intended for use by the person making the purchase, and is not transferable. *Other conditions may apply.

Owner

The owner is the person responsible for making the purchase, verified by order invoice receipt.

Affiliate Ordering

Affiliate ordering follows much of the same process as Customer ordering, but has an additional option. **If your groceries/products are selected AFTER cycling:** Should you select your groceries or products after you cycle, the company pays the shipping & handling for you -- OR -- you also have the option at this time to receive a \$200 Gift Card from a national grocery retailer in lieu of your groceries being shipped to you. This allows the option for unrestricted shopping as to the grocery items you may select, which would include all items such as meat, dairy, bread, vegetables, and frozen items.
